

# GOGGLE

design Ross Lovegrove, 2003

**LUCE  
PLAN**

Type: Wall

Lamps: D52 max 60W E14  
42W HSGSA E14  
12W FB E14 energy saver  
D52f 26W FSQ G24d-3  
D52f EL 18W FSQ G24q-2

Product use: Indoor

Materials: Injection-moulded polycarbonate body

Colors: Structure in opaline  
Iridescent elliptical film

Description: This lamp comes in a single finish that changes colour depending on the perspective. The in-mould decoration technique allows the iridescent film that creates these colour changes to form an integral part of the polycarbonate diffuser.

Certifications: 03

Insulation class:   (D52 - D52 EL)  (D52f)

Reference code: D52 1D5200000031 iridescent  
D52f 1D520F000031 iridescent  
D52f EL 1D520FEL0031 iridescent
